Book One - Chapter 1

Introduction to Chapter One

In The Name Of Allah (S.W.T.), the Beneficent, the Merciful
TAMMEEED
Knowing God and Worshipping Him

A Human being is constantly in search of knowing the Truth. He explores different ways in which to confirm his beliefs and when he succeeds in going back to his FITRA (Nature), he eventually reaches the point where he realizes the need of a Master and Creator - Allah (S.W.T.). In the Islamic belief (Aqaid-e-Islami), 'To Know God' is one of the fundamental issues for Muslims. It is only after proving His existence that a Muslim can believe in His divine system of Law and Order. All other moral, spiritual and religious values are included in the science of Tawheed (Oneness) of Allah (S.W.T.).

In order to understand Tawheed and be able to submit to Him, it becomes necessary for us all to undertake the spiritual journey towards *Iman* (Faith) and *Taqwa* (Piety). A person might believe that this is a difficult path to walk on but it is not impossible. All it requires is a strong urge to know the great Master of the Universe!

We must remember that by learning the true Islam, we will be able to practice its valuable teachings. It is necessary for us to understand that if we want to reach perfection in both *Iman* and *Aman* (Good Actions), we have to study the lives of the Holy Prophet (s.a.w.w.) and infallible *Ahmad* (a.s.).

In this book, each and every chapter is directed towards appreciating the deeper meaning of Tawheed (Absolute Oneness of Allah (S.W.T.)). The ideas and rules we will study are all ways in which to discover the truth and when we learn *Al-Haqiq* (Real Excellence) it is because our good conduct will allow us to reach out to other people around the world and call them back to the Truth.

We need to strive to have a deep understanding of our Lord. We also need to reflect upon the teachings of the Holy Qur'an. Remember, our main aim in studying the following chapters is to create a strong bond with Allah (S.W.T.)!

May He make us all successful in this aim. *Ameen*.

LESSON 1

THE BEST OF LESSONS

My class teacher is one of the best teachers in our school. She is kind, friendly and has the most beautiful smile! She always makes sure that we understand what she is teaching and never gets angry no matter how many questions we ask! Mrs. Javed is my favourite teacher!

Before she begins any lesson, Mrs. Javed always recites *Bismillah* (In the Name of Allah, the Most Gracious, the Most Merciful). It is a verse from the Holy Qur'an meaning *In the Name of Allah (S.W.T.), the Most Kind,*
